

Ethical

Standards

A Commitment to the Client is a core ethical value of all helping professions:

- Social workers' primary responsibility is to **promote the well-being** of clients.
- The primary responsibility of counselors is to respect the dignity and **promote the welfare** of clients.
- The nurse's **primary commitment is to the patient**, whether an individual, family, group, community, or population.
- CCMs will **respect the rights and inherent dignity** of all of their clients.
