AGENDA

11:45 AM - 12:00 PM: Log-In and Virtual Networking

12:00 PM - 1:00 PM: Presentation

All of the nation's 74 million baby boomers will be 65 and older by the year 2030. Combining this rapidly growing population with the COVID-19 pandemic, many people are choosing to stay in their own homes or plan to stay in their homes as they reach their golden years. Triff Cook, MBA, CMC, Director of Client Services, Aging Life Care Expert, and Active Member of ALCA National Organization since 2009, will walk participants through best practices of helping our clients plan for aging in their own home. This training will debunk all the myths and provide many tried and true resources that helping professionals can use to assess the needs of their aging clients in the home. Triff will bring her years of experience and discuss topics such as the home environment, managing expectations, hoarding, occupational therapy services, technology, and much more!

BY ATTENDING OUR WORKSHOP, YOU WILL BE ABLE TO:

1. **Recognize the impact of COVID-19 and aging in the home**
2. **Give examples of myths and misconceptions regarding long term care insurance**
3. **Identify the services that an occupational therapist can help with aging in place**
4. **List different types of technology that would be beneficial to clients and caregivers**
