**IN
PERSON!**

HOST A CEU WATCH PARTY

With CEU Creations handling all the logistics of the CEU itself, **you get to focus on what matters most: being present with your audience and showcasing your brand.**

HOW IT WORKS:

- Select from our curated “Power Hour” events – 1-hour livestream CEUs offered three to five times per month.
- Host the session in person at a hospital or facility of your choice. Provide snacks or lunch to add a personal, thoughtful touch.
- Be the official host sponsor. You'll welcome the group, say a few words about your company, and introduce the CEU session.
- Stream the CEU on a central screen while attendees log in individually on their devices (required for CE tracking, evaluation, and certification, all managed by CEU Creations).
- Close the session and stay for networking after the livestream ends.

YOU'LL RECEIVE:

- A professionally branded flyer to promote your Watch Party.
- A simple step-by-step guide to running your event.
- Promotion tips, planning insights, and event execution strategies.
- 30 FREE attendee seats (a \$600 value!) with the option to purchase more at a discounted rate.

PRICING:

\$899 per Watch Party

Discounted to \$699 for members of our Yearly CEU Coupon Program (4 or 6 coupons)

Let us manage the CEU details while you promote and enjoy meaningful, in-person engagement with the people who matter most to your business.
