

Getting Started With CE Broker

You will need to first create a CE Broker account at <https://cebroker.com/>. For the following steps, be sure to have your certificates ready as PDF files.

To start adding your CEs, click on **Credentials**, and then **your license**.

Following are questions that *may* be asked; this will vary depending on the type of CE:

- What is the name of the CE course? (This is on your certificate.)
- What is the name of the educational provider that presented this course? (This is on your certificate.)
- How was this course approved?
 - If you are presented with options, choose “A professional association in the specialty of social work.”
 - If you are given a text box, list the accrediting body such as ASWB, NASW, etc. (This is on your certificate.)

The **Attachments** screen will come up for all Ethics CEs but not necessarily for other CE types (but have all certificates in PDF form just in case!).
